Rapunzel Cast of Characters

Cast calls for 3 women ages from 16 - 100 and 3 men ages 16 - 50

Witch: Female, age anywhere from mid-twenties - 100. She has lots of fun interaction with the children in the audience. She insists that she is one of the few witches who LOVE children, however she still returns to her witches' tricks to get what she wants.

Wife: Female, age 16 - 50. Always hungry - swoons and overacts to convince her husband to do things against his will

Husband: Male, age 16 - 50 (note: ideally the characters playing husband and wife will be similar - or at least appear similar in age). Loves his wife and does things for her against his better judgment. This character has the opportunity for lots of physical comedy!

Prince: Male 16 - 30. A typical fairy tale prince. Kind, brave, and falls in love quickly

Rapunzel: Female 16 - 30. A kind but lonely "princess type" character with a lovely singing voice

Dragon: Male 16 - 50. Although he tries as hard as he can to be ferocious, his roars and fire-breathing skills are little out of practice and less than frightening. He is a poet at heart, and though employed by the Witch, he is secretly kind to those he is supposed to scare away. Great role for a comedic actor.

CAST/CREW MEMBER AUDITION FORM

Since we are a community theatre, we have no paid staff members. Everyone, including the Director, is a volunteer. Therefore, it is crucial for actors and crew members alike to assist with set construction, painting, gathering props, etc. On the rehearsal calendar, set workdays have been designated to accomplish these tasks. If you have a conflict with one of these workdays, please list it, along with any rehearsal conflicts you might have. Also list any days that you may be late to rehearsal.

PLEASE LIST ALL REHEARSAL CONFLICTS: _____
